

Muhammad Umar Hussain

MERN Stack Developer

 Faisalabad, Punjab, Pakistan  mumarhussain126@gmail.com  03006619281

Profile

Bringing over 2+ year of experience, I'm a skilled MERN Stack Developer with hands-on experience in developing and deploying full-stack applications. Skilled in building interactive front-end interfaces with React.js, creating secure backends with Node.js and Express, and efficiently managing databases using MongoDB. Expert in user authentication, real-time data interaction, and responsive design. Committed to delivering high-quality and user-focused solutions manipulating the MERN stack.
